**H**i Rosie! Are you excited about the World Cup? Yes! I don't normally like football but I like the World Cup because it puts everyone in a really good mood. Plus, you get to go to the pub loads! OK, we're going to give you a little quiz to test your football knowledge. First, who is England's all-time top scorer? Er... can you help me? His first name is Bobby. Bobby Zamora? Ha-ha! No, Sir Bobby Charlton. Who is England's most-capped player? David Beckham. No, Peter Shilton. Where is Fabio Capello from? Brazil. No, Italy. I was gonna say that! Where would you find a metatarsal? In your foot. Yes! That's one out of four. But as you're staggeringly sexy, we'll give you full marks. More importantly, how many keepy-ups can you do? I've never tried. I reckon I'd be pretty good, though, because I have excellent ball control. Oo-er! Who do you think is the hottest WAG? Cheryl. Although, I suppose she isn't a WAG any more. In which case, it'll have to be Abbey Clancy, as she's really hot. Can you last a full 90 minutes? Yes. I could do extra-time, too! How can a guy earn a red card in the bedroom? By farting. No one likes that. Or being naked with his socks on! If your fella was watching the footy and you didn't want to, what would you do to distract him? I'd get my boobs out, pop open a bottle of champagne and pour it all over myself. Blimey! Finally, whose boobs looked best covered in champagne today? Leah's looked good. She has lovely pert boobs. But India's are hot, too. When the cameras were switched off, we ran naked across the pitch together! ➡

The crowd were praying for extra-time

## Nuts' sexy five-a-side team get their kit off. Result!

**F**ootball changing rooms, as we all know, tend to be squalid places full of hairy-bottomed Iain Dowie lookalikes. But not when the *Nuts* team gets together for a match. Then it turns into the best changing room on planet football! Just look at this little lot! ➔

**H**i Leah! Are you looking forward to the World Cup? Yes!

Everyone's always really jolly. I can't stand it when England lose, though, as the blokes get in such a foul mood about it all.

**If England do lose, maybe you and the other girls should do something to cheer us all up?**

Totally! I think we should go on an open-top bus, hand out loads of free beer and show off our boobs to passers-by.

**Sounds good to us! Have you ever been to an England match?**

Yes – although weirdly, it was in Trinidad! I have a famous footballer friend and he invited me to stay at a well-known cricketer's house. But it was embarrassing because I was wearing a G-string on the beach when all these England fans sprinted over and started taking pictures of them. Me and my friend ran into the sea but it turned out my G-string was see-through in the water, so all the fans got a real eyeful!

**How's your ball control?** It's pretty good, actually. I can really swing it around!

**Finally, how can a man earn a red card from you in the bedroom?** By not doing the full foreplay. You've got to warm up before you hit the pitch. I'll make sure he sits on the bench with splinters in his bum if he doesn't!

The ref was loath to book them for taking off their shirts

# EMMA F

**H**i Emma! The whole of England is about to go football bonkers. Are you a fan? I like

football but I don't know much about it. I'll watch a match if it's on TV but that's about it.

**Will you ladies be taking a bath together later like footballers do?** I think so but there was a football match on yesterday, so I hope they've cleaned the bath properly. Eleven men in the same tub equals a lot of bacteria!

**Nice. Whose WAG would you most like to be?** David Beckham's, because he's really hot. I used to think Ashley Cole was quite handsome, too, but not now he's turned out to be a total love rat!

**Have you ever played footy?** I used to play at school a bit. I wasn't very good, though!

**Did you ever take a hard tackle from behind?** That's an awful question! No, not really, as I used to play in goal.

**How's your ball control?** That's an even worse question! I have no control over balls.

**How can a man earn a red card in the bedroom?** By trying to put it up my bum. He'll be sent off for that one!

**Finally, when England inevitably crash out of the World Cup on penalties, how will you cheer us all up?** I'll track down every one of you and give you a big hug! ➡

# INDIA

**H**i India! Where will you be watching the World Cup? I'll be going to the pub to drink beer and sing songs, just like everyone else! OK, we're going to give you a little football quiz. Who is England's all-time top scorer? That's David Beckham. No, Sir Bobby Charlton. Who's played for England the most times? David Beckham? No again. It's Peter Shilton. Where is England gaffer Fabio Capello from? Italy. Yes! Last one – where is the metatarsal? In your foot. Yes! At the end of a football match, all the players swap shirts. Will you ladies be doing this today? No. I want to keep hold of my shirt and wear it for the World Cup. Don't you think wearing a tiny top will distract people? No. I think it's quite subtle. I could go in a bikini, after all! If England win the World Cup, how will you celebrate? By having a party and dressing up in sexy little England kits! Have you ever had a fella who's been unable to give you full attention because the footy's been on? No. I'd never let that happen. I'd strip down to my knickers and order him to give me some attention! Crikey! Who do you think is the hottest England player? I really like Ashley Cole but someone told me the other day that he's, ahem, tiny. Plus, he sends pictures of himself in terrible pants. They were awful. I was disappointed. How about Cristiano Ronaldo? He's a bit girly, isn't he? He's got an issue going on with his swimming trunks. I think it must be a footballer thing. Finally, how would a man get a red card from you in the bedroom? By being selfish. If a man doesn't pay attention to me, he'll get the boot! ➔

"Why's my lipstick not working?"

The defence paid close attention to the two up front

**H**i Emma! England is about to go World Cup crazy. Are you going to get involved?

I'll try but I'm going to be in America for most of it. I'm taking an England shirt with my name on the back, though, so I'll be flying the flag when I'm there. I have some England fluffy dice in my car, too!

**What will you do if the impossible happens and England win the World Cup?**

I'll paint a St George's cross on my whole body and run starkers through London.

**Wow! Back to reality, though, who will you cheer on when Fabio's boys are inevitably knocked out on penalties?**

Probably Brazil. They're really good and everyone from Brazil has a nice bum. I'd love to have a Brazilian bum.

**How many keepy-ups can you do?** None. But I can balance a ball on my boobs!

**Fancy being a WAG?** No. But I wouldn't mind sneaking away with them to see what they're like behind that image of being all prim and proper. I bet they're total party animals, the secret dirt bags!

**Can you last a full 90 minutes including injury time?** Yes. My stamina's good. I'm an athlete!

**How's your ball control?** It's good. It's a skill I've just about perfected over the years!

**Who's your least-favourite England player?** Ashley Cole is the biggest bell-end in the UK. Look up "weasel" in the dictionary and there'll be a picture of him next to it.

**But he's quite a good left-back and he could be quite important for us.** I don't care!

**Finally, if you were going to make a sexy five-a-side team out of all the girls in the world, who would you pick?**

I'd pick all the girls in this photo shoot. I love them. The family is back together! ■
